THE CURRENT MINING NEWS.

The current mining news that is published from day to day and from week to week has more importance than is popularly attached to it, and often it has more importance than is measured by the amount of space the news is given in this or any other column of any paper, or the extent to which "heads" are devoted to it. The current mining news is a constant record of new development work, new mills, new mining power plants, new processes, and most important of all, new investments of capital. This or any other record of mining development gives but a small part of the news of mining progress that is now going on in the various districts and camps of the great western empire. The news is mainly news of progress. Old and abandoned mines are everywhere coming to the front with new methods of treating and marketing the product. Of course there was a heavy and crushing hand placed upon silver production, hanging up many hundreds of stamps and closing down many mines for the next few years, but still the prospecting and exploitation of new mines has gone on with a vim and energy that characterizes the westerner, and taking all in all the year will close with a record that will be hard to beat in the future.—Western Mining World.

A TRAINLOAD OF SILVER.

A train load of silver, amounting to 10,000,000 ounces, from Philadelphia to San Francisco, is soon to mark a new era in the government's method of transporting the precious metals between the mints. It has been known for some time that such a shipment was in contemplation, and the appearance of Assistant Secretary Vanderlip of the treasury department in Chicago a few days ago, was for the purpose of making arrangements for the necessary transportation. Mr. Vanderlip was in consultation with several managers of western roads, and it is learned that the shipment will be made on a special fast train, guarded by federal soldiers and detectives.—Western Mining World.

Backen's Arsenic Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction or money refunded. Price 25 cents per box. For sale by H. C. Hitchcock, druggist.

Sixty-seven claims for pensions have been filed on account of the destruction of the Maine. Of these five are for disability, twenty-one for widows, thirty-five for dependent mothers, five for dependent fathers and one for dependent brothers and sisters. Thus far 554 claims have been filed for pensions on account of the war with Spain—seventy-three from the navy and 481 from the army. Of these 829 are from the volunteers—112 for disability and 208 from dependent relatives of those who were killed or have died from disease.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption. She bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles found herself sound and well, now does her own household work and is as well as she ever was." Free trial bottles of this great discovery at H. C. Hitchcock's drug store. Large bottles .50 cents and \$1.00.
